Plan of Service 2015—2019

Village of Carbon Library

Mission

Providing materials and services to help the community meet their personal, educational and professional needs. The library serves as a learning, educational and activities center for all the residents within the Village of Carbon and all of Kneehill County

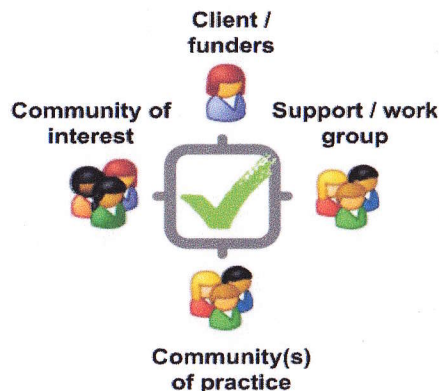

Our Goal

To increase our library's membership by means of public awareness

Updated Aug 2015

**We are now more
accessible to the public.**

All Village of Carbon
Library memberships are
free. We are now more
accessible to all members
of the community.

**We pledge to host more
public events to bring the
community together**

Young Authors Contest

Take a book Leave a book

**A place to study and
do research**

With up to date technology and a
comfortable place to be.

**More community events with
opportunities to volunteer**

Craft Fairs

Movie Matinees

Community Breakfast

**We have multiple choices for read-
ing, listening and viewing to en-
hance your leisure time.**

Rent equipment, books, audio books,
dvd's games and many more...

**We put our ever growing
services out there.**

Our new Reader Board is out
there to announce all community
events. We now have our Little
Free Libraries for all to borrow.
